

Client list

1394 Trade Association

International member organization dedicated to promoting multimedia connector technology

Adaptec

Developer and marketer of computer add-in boards

Advanced Wireless Technologies

Fabless semiconductor company in satellite communications market

Alphatec Group

Multi-billion-dollar semiconductor packaging firm headquartered in Thailand

Anthem Electronics

Distributor of electronic components

Applied Biosystems

Division of Perkin-Elmer Corporation, specializing in equipment for gene and protein research

Applied Materials

Internal training division of leading provider of equipment for semiconductor manufacturing

ARM, Ltd.

Leader in microprocessor Intellectual Property

AuraVision

Fabless semiconductor company designing and marketing chips for broadband data reception

Bosch Security Systems

Specialty division of German electronics firm

Concurrent Logic

Developer and marketer of programmable logic

Divio

Fabless semiconductor company designing and marketing chips for consumer video applications

Echelon Corporation

Supplier of embedded network control technology

Ford Aerospace

Satellite division of government (DOD) contractor

Fujitsu Microelectronics

US division of Japanese semiconductor manufacturer

Hewlett-Packard Company

Worldwide customer service organization of global equipment manufacturer

High-Tech Logistics

Move-in networking and tradeshow support company

Innovative Semiconductors

Fabless semiconductor company designing and marketing intellectual property (IP) cores

Keekaboo.com

Online provider of free, custom-printed postcards

Mitsubishi Electronics

US division of Japanese semiconductor company

NEC Electronics

US division of Japanese semiconductor company

Nokia Monitors

Desktop monitor division of international electronics company

NXP (Philips) Semiconductors

Top-ten semiconductor supplier

Perkin-Elmer Corporation

Global provider of biotechnology equipment and research

Philips Consumer Electronics

Computer division of Dutch electronics company

Pitney Bowes

Leading provider of informed mail and messaging management

Proactive Finance

Venture capital firm investing in technology

Quantum 3D

Fabless semiconductor company offering high-speed graphics chips for game consoles

Saratoga Semiconductor

Semiconductor company supplying high-speed memories

Seacliff Technologies

Distributor of programmable logic devices

SPARC International

Trade association founded by Sun Microsystems

Supertex

Manufacturer of semiconductor components

Unitrode Corporation

Manufacturer of standard and semi-custom analog devices

Videon

Developer of enabling technology for online HDTV broadcasts

VLSI Technology

Graphics and set-top box division of semiconductor manufacturer

Zayante Displays

Fabless semiconductor company with alternative display technology
